Hi John,

Thank you again for your time last week. Here is the Access Center plan and answers to the questions you asked.

You'll also find the response to LAHSA's RFI on access centers that Genevieve put together with Echo Park NC.

Please let us know when you've had a chance to review. We'd love to do another call to talk about how to move this forward.

Thank you again,
Lex, Genevieve, Dorit and Nithya

Thanks Genevieve.

I am working with the department to see if we can get the area cleared. It is a bit of a process for these projects.

Got it; have you been in touch recently with Liz / County OEM?
I think Tyan and I may have a catch-up with her in the near future, so we'll share the alley status if that's ok with you.
